2010

For small to medium sized voluntary and community organisations (VCOs), people with responsibility for IT but limited IT training and organisations with little or no internal IT support.

Identifying cost effective IT solutions and finding out ways to save money are two reasons to attend our 2010 conference. Sue Fidler, a specialist charity consultant in IT will be providing inspirational advice and information and will be joined by local contributors to provide a day filled with practical advice and solutions.

Key topics will include:

- Network options and alternatives
- Using your website to raise money
- e-communication on a shoestring
- A local solution to Broadband
- Home working, Digital Switchover and our ever popular Ask the Expert

The day runs from 9.30 to 16.30 and includes a bacon roll on arrival and a two course lunch plus refreshments. The Bank House Hotel provides easy access across the two counties

There will be a chance to find out more about how our services can help you get the most out of IT plus:

- Seek IT funding advice and current funding opportunities
- Take part in our prize draws and get a **free** Goodie bag!
- Discuss and trial hardware and software for disabled users
