

# 1,400,000

## IN THE LAST TWO YEARS 1,400,000 ADULTS IN ENGLAND HAVE LOST THEIR CLASSES

Are you one of them?

If so, what did you do next?

- Give up learning?
- Study online?
- Join a group with friends?

NIACE – the national voice for adult learners – is exploring the impact of the cuts in publicly funded adult learning and wants to hear your story.
